

Choosing a play school for your child can be a tough decision, but we at Puspita play school can make it simple by giving your child educational yet a homely environment. A good preschool classroom is a busy place! So we here provide them with utmost facilities like Phonic based reading classes for kids, Storytelling session, Poem classes and Comics classes. Apart from that the daily schedule will include whole-group time such as interactive tasks, drama classes (with role playing), games and rewards.

Preschool is an investment in your child's future, so take the time to find just the right one.
